CIVIL SERVICE AND G. O. P.

The drive on civil service continues. The process of replacing Democratic executives in the Railway Mail Service at St. Louis with Republicans has started. Frank McFarland, Democrat, who has been in the service thirty-five years, is given reduced rank and \$1,000 cut in annual salary. His successor, a Republican, is outranked by him in time of actual service. Ernest N. Reno, a chief clerk, gets a reduction in rank and \$700 cut in salary, presumably because he is a Democrat. Reno has devoted twenty-nine years to the railway mail service. K. P. Aldrich, Democrat, is replaced as postoffice inspector in charge at St. Louis by Fred W. Renter, Republican.

Thus does the mockery of civil service continue. Seniority means nothing; faithfulness to duty means nothing; experience means nothing; Republican fealty means everything in this wild scramble of "practical politicians" to firmly entrench themselves into government berths.

With the President of the United States himself taking the lead and casting Democrats from the Bureau of Engraving and Printing; with the Assistant Postmaster General issuing governmental statements, urging the further wreckage of the civil service, in order that the fullest possible number of jobs may be obtained by the boys now in power, with civil service regulations a dead letter in the big cities and the small villages the old spoils system of appointment to government positions has come back and is functioning perfectly.

This being the case, there is small wonder that the National Civil Service Reform League has issued a call for a conference in Washington to consider the amazing brazenness with which the merit system has been trampled under foot, and to frame remedies by which this orgy of job lust may be terminated. Some persons are inclined to view this league as an aggregation of meddlesome old men and women who spend the greater part of their time prying into affairs that do not personally concern them. This may be partly true. But true or untrue, it should be remembered that the Civil Service Reform League possesses an infinite capacity for raising a rucus and causing the proverbial fifty-seven kinds of trouble.

SHERIFF SUED ON BOND.

(New Madrid Record.)
M. Frankie has instituted suit against Ambros Kerr, sheriff of New Madrid county, and his bondsmen for \$15,000 for raiding his home and taking several gallons of homemade grape juice, which he protested against at the time, informing the officers that it was for sacramental purposes and the law gave him the legal rights of possession. The case will be tried in the State courts, and will come up for hearing at the next term of Circuit Court.

FROM MICOLA.

I am sending you a few items from around Micola, a nice little railroad town, and the country around it is one of the garden spots of Missouri.

Crops are fine and the people are beginning to lay by some corn. All are talking of the 4th of July, when we will have a rest from our labors.

James Moore and wife made a business trip to Caruthersville a few days ago.

W. B. Wilson paid Mr. and Mrs. Morrow a visit recently—old friends.

Mr. Phillips spent a day and night in this neighborhood recently, on his way to St. Louis, where he will reside in the future.

W. B. Wilson's daughter, Mrs. Lois Minner, at Blytheville, who has been very low, is reported better.

This community was blessed with a bountiful rain Saturday night, which was needed. Hayti had a rain before this that we did not get.

Mr. Alsop went to Hayti Saturday afternoon and put on the market a full grown bucket of eggs. The next morning at the home of the Alsops we walked into the dining-room and there our eyes beheld a large platter of fried chicken. No wonder we seated ourselves at that table with a long smile on our face. Mrs. Alsop has about 200 young chickens, and she does not fail to prepare them for the table.

Crops all along the highway from here to Hayti are fine and in good condition. We went over this route last Saturday and met a good many friends and acquaintances along the way.

INGRAM RIDGE NEWS.

Our pastor, G. W. Roberts, filled his appointments Saturday and Sunday. A nice crowd attended these services.

Our Sunday school is bigger and better all the time. We have a good Sunday school every Sunday.

The hail storm Saturday night cut the cotton some, but no great deal of damage was done.

The crops are fine here, compared with last year and the year before. Cotton sure looks good.

There is a singing school in progress here now. Mr. Palmer is teaching a ten-night school. They report about 20 scholars.

Mr. and Mrs. Wright Crafton were visiting in Hayti Saturday and Sunday.

F. M. Johnson has been ill for a few days, resulting from getting too hot while at work.

C. P. Wells of the Wells Drug Company visited his farm Wednesday.

NEGRO'S NAME FILED FOR COMMITTEEMAN.

(New Madrid Record.)
For the first time in the history of this county has the name of a negro been filed for office. This occurred on the last day for filing, when Peter Smith of this city, a Republican leader, filed the name of Abe Toney, a colored man, for committeeman on the Republican ticket from New Madrid township.

As soon as the Republicans in the county learned that the name of Abe Toney had been filed, and realizing that such would not look well, and would hurt them in the coming election, "Uncle Abe" was hunted up and informed that his name should be withdrawn. This the old darkey readily consented to do, as he said he knew nothing of his name being on the ticket. His name was withdrawn by Mr. Smith.

RESOLUTIONS OF RESPECT.

Whereas, It has pleased the Supreme Architect of the Universe to call from labor to rest our dearly beloved Brother J. F. Hopkins, who died Friday night, June 16, 1922; therefore, be it

Resolved, That in the death of Bro. Hopkins his family has lost a devoted husband and father, the Lodge a faithful and useful member and the community an upright and honored citizen. Bro. Hopkins, we will meet thee no more around the altar of our Lodge in this earthly Tabernacle, but we are resolved to meet thee around the altar in the Holy of Holies, in that Temple not made with hands, eternal in the Heavens, where all good Free Masons go.

Resolved that we tender our heartfelt sympathy to the bereaved widow and children, and recommend them to the care of that God whom Bro. Hopkins served and in whom he trusted.

Resolved, That a copy of these resolutions be spread upon our records, a copy furnished the family of the deceased brother and a copy sent to each of the papers in the county for publication.
